* This chart was compiled by the law firm of Herrick, Feinstein LLP from information derived from published news articles and services available mainly in the United States or on the Internet, as well as law journal articles, press releases, and other sources, consulted as of August 6, 2015. As a result, Herrick, Feinstein LLP makes no representations as to the accuracy of any of the information contained in the chart, and the chart necessarily omits resolved claims about which information is not readily available from these sources. Information about any additional claims or corrections to the material presented here would be greatly appreciated and may be sent to the Art Law Group, Herrick, Feinstein LLP, 2 Park Avenue, New York, NY 10016, USA, by fax to +1 (212) 592-1500, or via email to: artlaw@herrick.com. Please be sure to include a copy of or reference to the source material from which the information is derived. Also, if you would like to receive periodic updates regarding the resolution of stolen art claims and related information, please submit your name and email address to Herrick, Feinstein LLP and you will be added to the firm’s Art Law Group mailing list.

[†] The “country” designation relates to the location of the artwork(s) at the time the claim was made.

[°] For claims resolved by judicial proceedings, the date given is the date of the decision by the court of first instance; any subsequent proceedings are noted as well.

[‡] In the “mode” column, the organization/entity that facilitated the resolution, if known, is noted in parentheses.
