HERRICK LAWYERS, PRACTICES RECOGNIZED BY CHAMBERS USA 2013

New York, May 24, 2013 – Four Herrick, Feinstein LLP lawyers and two of the firm's practices have been recognized in the 2013 edition of *Chambers USA*, a prestigious directory of the country's leading business lawyers.

Partner Susan Dwyer was ranked nationally in the category of Products Liability & Mass Torts and received Spotlight recognition for National – Products Liability: Automobile. She was noted by the guide for her extensive experience in automobile product liability issues and her deep knowledge of issues on both the legal and business sides.

Partner Mitchell Korbey was ranked for New York – Real Estate: Zoning/Land Use and was noted for his excellent counsel and valuable insight into city workings following various roles he served at New York City departments.

Two New Jersey-based Partners were ranked for their litigation expertise. Partner Scott Tross was ranked for New Jersey – Litigation: General Commercial, and was noted by *Chambers* for his expertise in creditor and real estate matters and the ability to provide succinct resolution to problems. Partner Ronald J. Levine, the firm's Litigation co-Head, was ranked for New Jersey – Litigation: Products Liability. The guide noted his extensive experience representing clients in consumer class actions and ability to quickly analyze any situation and provide business-oriented, practical advice quickly.

In addition, two firm practices, New York – Real Estate: Mainly Dirt and New Jersey – Litigation: General Commercial achieved rankings. *Chambers* noted that the firm bolstered its real estate expertise last year with the addition of nine lawyers, all of whom brought substantial expertise in a range of areas, including condominium and cooperative matters. The firm's New Jersey Litigation Practice was highlighted for its strength in securities work, strategic capabilities and commitment to customer service.

Since 1999, Chambers and Partners has been researching the U.S. legal profession, identifying the leading lawyers and law firms. *Chambers USA 2013's* rankings are determined through interviews with thousands of lawyers and their clients nationally. The results are audited independently and are based on a range of professional qualities most valued by clients.
