

## **Herrick, Feinstein LLP**

You are cordially invited to a seminar in Herrick's ongoing series for the investment management community.

# The Perils of Investment Management in Perilous Times

## Legal Risk Management During the Financial Meltdown

Join a distinguished panel of litigators and regulatory lawyers who will explore the ramifications of the current crisis in the financial markets for hedge fund managers and other investment fiduciaries. You will learn the latest approaches to risk management to protect yourself and your company from lawsuits and SEC investigations. We will also discuss how hedge fund managers and other investment fiduciaries have responded to the liquidity crisis.
