

Celadon Financial Group in association with
Herrick, Feinstein LLP and **Eze Castle Integration** presents

Operational, Regulatory, and Economic Challenges Facing Hedge Funds in 2010

on Tuesday, December 1, 2009

Featuring keynote speaker **Nouriel Roubini**,
Co-founder and Chairman, Roubini Global Economics

New forces are challenging the hedge fund industry and driving managers to rethink their operational and business practices, in addition to adapting to the fast paced global economic environment. Public opinion, regulation, competitive threats, transparency and world economies are challenging hedge fund managers daily. How does today's fund prepare itself for what lies ahead in 2010? Our panel of experts will help you prepare by discussing the operational, regulatory and economic factors affecting the hedge fund industry and the steps funds can take to identify new areas of risk management and better position themselves to succeed.

Frank A. Magnani, Managing Director,
