Inquiries@herrick.com

Harvey Feuerstein is chairman emeritus (retired) of Herrick, Feinstein LLP. He served as chairman of the firm's Executive Committee from 2001 to 2012 and, previously, as chair of the firm's Litigation Department. Harvey first joined the firm in 1969, when it was comprised of only four real estate lawyers; and he has been a vibrant member of the firm for over 50 years.

For 55 years, Harvey concentrated his practice on business divorce, representing owners who sought to profitably disengage from their associations with successful businesses and professional firms, including law firms and medical partnerships. Over the years, many major law firms and prominent owners of privately held businesses took advantage of Harvey's experience as a counselor, negotiator and litigator.
