Lauren Kornett, Chief Financial Officer, leads the Finance function for the Firm, which includes accounting, financial planning and analysis, treasury, billing, client credit and collections and tax.

Lauren is a highly-collaborative professional who brings significant experience in providing financial guidance to complex organizations across a variety of service industries including law, public accounting, and advertising. She is specifically focused on driving strategic initiatives to improve operational effectiveness and profitability. Prior to joining Herrick, Lauren served as the Director of Financial Operations at a firm ranked in the Am Law 50. Before that, she held controllership positions at KPMG and WPP.

Lauren earned her CPA early in her career while working at Arthur Andersen and has an accounting degree from Fairfield University.
