Lisa Cuneo is Herrick's Chief Financial Officer. She has more than twenty-five years of experience in law firm accounting and is responsible for managing the financial operations of Herrick. These functions include financial reporting and analysis, billing, client credit and collections and banking.

Prior to assuming her role at Herrick, Lisa held management roles in both the cosmetics industry and public accounting.

Throughout her broad career, Lisa has worked closely with senior management and business leaders to develop internal controls and process improvements to increase profitability and productivity. These skills are used to oversee a wide variety of finance functions in the firm.
