Milton Springut is a partner in Herrick's Litigation Department and the Intellectual Property and Technology Group.

Milton has nearly 30 years of practice, where he has been counsel in numerous patent, trade secret and computer law litigations. His clients have ranged from startups to *Fortune* 500 companies, on matters involving technologies such as computer processors, mobile payments, e-commerce, telephony, video systems and medical devices.

He has served as the full-service outside advisor to several internationally recognized luxury brands in their patent, design patent, copyright, trademark and trade dress strategies. Milton has also successfully implemented procedures to combat the proliferation of counterfeit and gray goods, directing both investigations and legal proceedings.

Prior to joining Herrick, Milton was a partner at Moses & Singer LLP.
